

God's order of creation

From the beginning of creation God, through His Son Jesus, has been in control of every part of His creation.

"By Him all things were created: things in heaven and on earth, visible and invisible ... He is before all things, and in Him all things hold together" (Colossians 1:16-17). Jesus is the One who holds together all the tiny atoms. He keeps the earth spinning in its perfect path around the sun to give us night and day, summer and winter. He is the One who gives life to all and makes things grow.

This is how creation fits together:
