

Old ... and really, really old!

Would you like to become very old, perhaps as old as Noah or Methuselah, and live over 900 years?

Every single day of our lives has a purpose in God's plan. So it doesn't matter how long you live; what matters is that you live each day for Him! The Lord will not take us home (allow us to die) before His perfect plan for our lives has been completed (see Psalm 139:15-16). The picture below shows that people before the flood, like Adam and Noah, lived very, very long.

In the beginning, people lived hundreds of years.

But because of man's wickedness up to the time of Noah, the Lord said, "My Spirit will not contend with man forever, for he is mortal; his days will be a hundred and twenty years."

"Honor your father and mother" – "that it may go well with you and that you may enjoy long life on the earth" (Ephesians 6:2-3).
