

I love Jesus - peak (visor)

Things you will need:

- The card with a peak photocopied/printed on it - see peak templates.
- Elastic bands.
- String to tie around the back of the child's head.
- Scissors.
- Adhesive tape.
- A punch or anything else that can be used to make a hole through the card.
- Crayons, felt markers or stickers.

Construction

- Cut out the peak.
- Decorate the peak.
- Stick a short piece of tape around the ends to strengthen the area around the hole.
- Make a hole at each end through the tape and the card. (Be careful not to make it too close to the edge as the card may tear.)
- Loop an elastic band through each hole.
- Tie a piece of string between the two large elastic bands loops to comfortably fit the child's head.
